of running down the guilty parties. The tent house of Miss Lucile Abston, now residing in Capitan, located close to Mrs. Eckman's tent, was also broken into and most of

ner belongings taken. Sunday evening, after securely locking the doors, Mrs. W. B. Murrell went to the park for a little recreation, returning home about eight o'clock. She found the screen

door open, as was also the door she had so securely fastened. She became alarmed and went to the store where she found Mr. Murrell and reported. An examination Penalty of One Per Cent a fully worked a skeleton key, letting them into the front door. Apparently they had gotten into the wrong place, for nothing was miss-

Law Relating to Automobiles.

The new state law in relation to automobiles goes into effect June 11, 1913. Some of the salient point that are well worth perusal are: Licenses are based on horse power and the secretary of state can call on peace officers to enforce the In case of accidents it will go hard with chauffeurs who drink, who are under age, who are found without licenses, and on mail lines. though no license is required, the driver will nevertheless be held responsible. All drivers of cars in case of accident are required to imtheir names, to all those interested nals, bells and brakes, and regulations are laid down governing how and a city registration is provided

on a blank provided for the purpose containing a brief description of the them machine, and the owner's name and

The following annual fees shall be paid to the secretary of state upon with the provisions of this act:

Less than twelve horse power \$2. twenty horse power, \$4.

thirty horse power, \$6. Thirty horse power and less than cent penatly added. forty horse power, \$8.

fifty horse power, \$10. and Miss Abston Raffled of secretary of state shall assign to which will, of course, be the same secretary of state may prescribe, so on
